Island Green Golf Club

ProShop News

Hello All,
It has been nice seeing all of you this summer; hope to see more of you take advantage of the beautiful weather and course conditions.

Please be sure to register in the proshop before play. Everyone must begin on #1 unless authorized by the proshop to do otherwise. Please do not start on #10 or any hole other than #1 without the approval of the proshop. There have been many golfers

starting on #10 and interrupting the pace of play for those already on the golf course.

Effective immediately, tee-times will begin at 8:00am Tuesday through Sunday and 10:30 am on Mondays. The clubhouse will open at 7:30 T-S and 10:00 on Mondays.

Our next member event will be the Mission Impossible on October 17th. The scheduled start time is 10:00 but be sure to check with

proshop. We are thinking about modifying the event to either allow tee-times throughout the day and/or change the format to a modified one-person scramble. The proshop would enjoy any comments on this possibility idea, please let us know.

Be sure to check the calendar in the hallway and the website for any important dates.

Thanks,
Jacob

Friday Night Couples Golf

Couples golf will continue as long as there is enough daylight. This is a fun informal event where those who participate always enjoy. The only thing they play for is, besides pride, the winner gets to pick the restaurant following play. Please come out and enjoy this fun activity.

Wanted: Women Golfers

This is an open invitation to all you women golfers: Please join the Island Green Ladies League for weekly play. Skill and ability are not necessary—just enthusiasm! The morning group tees off at 10:00am on Tuesdays, so come around 9:30am. We look forward to seeing you. There is also a group of ladies that play Tuesday evenings at 5:30.

Keys Anyone???

Please check around the house to see if you have any golf car keys. We are constantly losing and replacing keys. They are quite expensive and we would greatly appreciate any assistance in locating lost keys. Thank you very much!

Please have all golf carts in 30-minutes before dark. It is very difficult to see at dark while driving the cart. This is for your protection as someone could easily run into something and get seriously injured.
