Island Green Golf Club

Happy Easter

The grass is green and the weather is consistently warmer. The golf season is now underway for all of our enjoyment.

Tee-times now begin at 8:00am, with the exception of 10:30am on Mondays. The clubhouse opens thirty minutes before the first time of the day. If you arrive before the clubhouse is open, please beware of frost before

practicing on the putting and chipping green.

The proshop has a new line of equipment that can improve your game. We have inventoried the latest product from Mizuno, Titleist, and FootJoy. The new Taylor Made Penta TP golf ball is receiving great reviews. Also, the new Sport shoe from FootJoy is very popular. These come

with a two-year warranty. Keep in mind, if we do not have what you are looking for, we can order product from all the major manufacturers with competitive pricing.

Please remember to check with the proshop for the daily cart restrictions to ensure better turf conditions for all.

Golf Course News

It is with great pleasure to announce that J.D. Gibbs is now the Course Superintendent. He has been with Island Green since the course's transition to 18-holes. We are extremely happy to have him.

It sure is nice to see the grass growing and green again. Once the evening

temperature stays in the upper 50's, the fairways will start to turn. The course is in great condition for the time of year, so come out and enjoy a round of golf.

To help assist the Bermuda to grow in quicker and thicker, please keep carts out of the fairways at all times.

As you play, please

repair pitch marks on greens and replace divots with the sand that is in the baskets on the carts. If everyone will fix their ball-marks and divots, the course will be even better than ever.

We hope all of you come out and play, we look forward to seeing you all again. Don't forget to have fun.
