

## ProShop News

It doesn't seem possible to be November already. Thank you all for a good season and we hope to continually see you throughout the fall and upcoming winter.

Please keep us in mind for your holiday gifts. We have many items on sale and gift certificates are always available. We will attempt to match any competitor's

pricing!

One of our most popular gifts is our famous coupon book. This contains (6) 2-for-1 coupons, (3) 4-for-2 coupons, and (3) free green fee with cart rental coupons. The price of the book is regularly \$59.99, but is now \$10.00 off until December 31<sup>st</sup>.

Tee times now begin at 8:00 am Tuesday-Sunday and 10:30 on

Mondays.

It is that time of year for frost. Please be aware of this as this will have an adverse affect to the golf course. In the event frost is present, the course is closed until it melts. This closure includes the PUTTING and CHIPPING greens as well as the driving range.

Thanks,  
Jacob

## Other News

Island Green would like to offer more member-oriented events for the 2010 season. Please offer suggestion by speaking with the proshop. We are thinking about having one event per month while changing the format each month. Do you like shotgun events or "make your own tee time" events? These events will have an entry fee of about \$10-15 per person with 100% payback in credit. We hope to get more members

involved and this will be a fun way to do so. Some ideas of formats are stableford scoring system, modified one-man scramble, two or four person scramble, shamble format, etc...

We would like to ask all of you to only putt on the putting green and reserve any chipping for the chipping green by the 9<sup>th</sup> green.

Please refrain from hitting

range balls in the pond and aim away from the #3 tee. When the side range tees are open, many range balls are lost. Also, the tee on #3 becomes very dangerous. Please only use irons when these range tees are being used. We look forward to your feedback and seeing more of you in 2010.

## The Laws Of Golfing

## Holiday Parties

Island Green still has some available dates for any holiday party needs. Please contact Jane for information @ 732-7622.

LAW 1: No matter how bad your last shot was, the worst is yet to come. This law does not expire on the 18th hole, since it has the supernatural tendency to extend over the course of a tournament, a summer and, eventually, a lifetime.

LAW 2: Your best round of golf will be followed almost immediately by your worst round ever. The probability of the latter increases with the number of people you tell about the former.

LAW 3: Brand new golf balls are water-magnetic. Though this cannot be proven in the lab, it is a known fact that the more expensive the golf ball, the greater its attraction to water.

LAW 4: Golf balls never bounce off of trees back into play. If one does, the tree is breaking a law of the universe and should be cut down.

LAW 5: No matter what causes a golfer to miff a shot, all his playing partners must solemnly chant "You looked up," or invoke the wrath of the universe.

LAW 6: The higher a golfer's handicap, the more qualified he deems himself as an instructor.

LAW 7: Every par-three hole in the world has a secret desire to humiliate golfers. The shorter the hole, the greater its desire.

LAW 8: Topping a 3-iron is the most painful torture known to man.

LAW 9: Palm trees eat golf balls.

LAW 10: Sand is alive. If it isn't, how do you explain the way it works against you?

LAW 11: Golf carts always run out of juice at the farthest point from the clubhouse.

LAW 12: A golfer hitting into your group will always be bigger than anyone in your group. Likewise, a group you accidentally hit into will consist of a football player, a professional wrestler, a convicted murderer and an IRS agent -- or some similar combination.

LAW 13: All 3-woods are demon-possessed.

LAW 14: Golf balls from the same "sleeve" tend to follow one another, particularly out of bounds or into the water (see Law three)

LAW 15: A severe slice is a thing of awesome power and beauty.

LAW 16: "Nice lag" can usually be translated to "lousy putt." Similarly, "tough break" can usually be translated "way to miss an easy one, sucker."

LAW 17: The person you would most hate to lose to will always be the one who beats you.

LAW 18: The last three holes of a round will automatically adjust your score to what it really should be.

LAW 19: Golf should be given up at least twice per month.

LAW 20: All vows taken on a golf course shall be valid only until the sunset of the same day.
